## Level 2

### 2009

#### **Aims/General Learning Outcomes**

- Students will study food preservation methods and preserve family foods.
- Students will investigate a food plan, and prepare and present food for self and others on a limited income.
- Students will investigate nutritional concerns of a targeted group and research the needs for a vegetarian

#### **Course Content**

1. Topic one you will prepare a range of preserved foods and use multifunction equipment in a range of recipes.
2. Topic two you will do a research assignment. This is looking at food requirements and nutritional concerns for a targeted group of people. You will prepare and present suitable food for assessment.
3. Topic three you will research the needs for a vegetarian.
4. Topic four you will research and prepare nutritious food for a family on a low income budget and complete the year making and icing a Christmas cake.

#### **Appeals**

Any queries about an assessment decision should be made to your class teacher when the assessment is handed back. Any formal appeals should be made, **within one week** of the assessed work being returned to the Head of Department, Ms Tilley, or the Principal's Nominee, Ms Lynch in Term 1, Mrs Butler in Terms 2, 3 and 4 who will investigate it further.

Work done in pencil or which has 'white-out' corrections cannot be reconsidered for appeals. Appeals need to be made within one school week of receiving a result.

#### **Further assessment opportunities**

Students in Home Economics will not be offered further assessment opportunities due to the nature of the Unit Standards and Achievement Standards offered.
