

# Year 11 Stationery and Other Costs in 2020

Avonside Girls' High School Board of Trustees has opted into the \$150 donations scheme offered by the Government for 2020. This means our Board will not be asking parents for contributions for delivery of the curriculum, unless there is an overnight or take home component.

This stationery list assumes that your daughter has a personal device (laptop or tablet with a keyboard) for learning.

| Subject                                  | Item  |
