

Avonside Girls High School - Year 10 Stationery and Other Costs in 2023

Avonside Girls' High School Board of Trustees has opted into the \$150 donations scheme offered by the Government for 2023. This means our Board will not be asking parents for contributions for delivery of the curriculum, unless there is an overnight or take home component. To ensure your daughter is well prepared for the start of the year, we suggest she has all her stationery before the school year begin. All Y10 students are expected to have a personal device (laptop) for learning – details are available from the office.

Additional Costs

There may be some costs associated with some courses, such as school trips transport and overnight accommodation.

Your daughter will be advised well in advance, and in writing, should any such payments be requested.

Student CanDo Card – ID/Bus/Print Card

A CanDo card is a non-curriculum related expense. Cards are ordered on student photo day and payment must be made on this date if you wish to purchase one. Cost is approximately \$10

Any payments can be made at the student payments office on the ground floor.

Payment options are:

- Internet banking (ASB 123240 0108065 00) – include your daughter's name and the reason for payment
- EFTPOS
- Cash
