

Avonside Girls High School - Year 11 Stationery and Other Costs in 2024

Avonside Girls' High School Board of Trustees has opted into the \$150 donations scheme offered by the Government for 2024. This means our Board will not be asking parents for contributions for delivery of the curriculum, unless there is an overnight or take home component.

All Y11 students are expected to have a personal device (laptop) for learning – details are available from the office.
