

## Avonside Girls High School - Year 10 Stationery and Other Costs in 2025

Avonside Girls' High School Board of Trustees has opted into the \$150 donations scheme offered by the Government for 2024. This means our Board will not be asking parents for contributions for delivery of the curriculum, unless there is an overnight or take home component. To ensure your daughter is well prepared for the start of the year, we suggest she has all her stationery before the school year begins. All Y10 students are expected to have a personal device (laptop) for learning – details are available from the office.
